Administration & Faculty

*Principal
Gilbert V. Walmsley*

DEAR NORTH:

I have been asked by the Yearbook Staff to write a letter to the student body for our 1979 Yearbook. Finding appropriate words is a difficult task, because my mind is full of the many things our student body has accomplished. The bright spots are so many; cross country, golf, and soccer victories over South (before November) and good things to look forward to, such as Homecoming, Spring Carousel, scholarships to win, academic honors to receive, senior recognition, so much for our seniors to contribute and accomplish before the class of 1979 enters the archives of North's history. Seniors, be assured the teachers and the administrators at North look forward to seeing you in the future so we can SHARE your accomplishments and happiness. Keep in touch, we'll miss you.

I extend to every student best wishes for a successful and happy future. Because we have students of your caliber to fill her corridors, North has been and shall remain- NULLI SECONDUS.

G. Walmsley

Mark Kastelic displays his FIRST PLACE ribbon and medal from the District competition. He has also placed first in Division Competition.

Mark Kastelic, age 17, is a junior here at North. He recently competed against other students from South and Edwardsville High Schools in the American Legion Oratorical Contest held at Altoff High School in Belleville.

The District competition includes an 8-10 minute memorized original oration plus one of six extemporaneous topics based upon various articles and amendments from the Constitution. The extemporaneous topic is drawn five minutes prior to each student speaking on that same topic. Students are given only that five minutes to prepare and without the aid of notes. The title of Mark's original oration is THE UNITED STATES CONSTITUTION: A DOCUMENT FOR DEMOCRACY.

Mark advanced to the 5th Division American Legion Oratorical Contest sponsored by the Granite City Post 113 on February 21, 1979, at Memorial Auditorium. As the winner of this contest, he will advance to the Department (State) of Illinois Finals to be held in Chicago. Scholarships and awards totaling an amount of \$4300.00 will be awarded to Division and Department winners.

The 22nd District of the American Legion which encompasses the Metro-East area has produced 5 Department and 1 National Oratorical winners since the inception of this program in 1938. Mr. Gilbert V. Walmsley, Principal of GCHS/North, and Mr. James Dumont, Principal of GCHS/South are the hosts of this year's contest.

1978

Mr. Walmsley and Mr. Stucke congratulate Brad Gauert, 1978 Salutatorian.

German Exchange Student Mickie Stoeckl

Welcome to Michaela Stoeckl, our student exchange visitor from West Germany. Says Mickie:

I was born on January 9, 1962, and I have come from Hamberg, West Germany as an exchange student from Rotary International.

My brother, age fourteen, and my sister, age ten are still living with my parents in Germany.

I am staying with the Papa family and I really enjoy being with them. Mrs. Papa is a P.E. teacher here at North. I arrived at the beginning of August and my impressions so far are very positive. In fact, Americans are very friendly people and it is easy for me to come into a positive contact with them. Actually, I see many interesting places and I think that my English language, one reason why I am here,

has progressed too.

This stay is really a great experience for me and a very profitable one for my entire life. I am very happy that I am here and I enjoy it very much. I also enjoyed the time I have spent at Granite City High School/North.

Jon Kastelic, a 1978 graduate of North, is well remembered for his outstanding contributions to the North Speech Department, as well as his academic achievements.

Jon won the American Legion Contest as Illinois Oratorical Champion last year. This honor enabled him to attend the American Academy of Achievement in Kentucky. There he received a gold medal and a \$1000 scholarship for his honors.

Jon met such stars as Ed Asner, Cloris Leachman, Debbie Boone, and Dr. Edward Teller, inventor of the H-Bomb.

One evening Col. Harland Sanders and Kentucky Fried Chicken hosted an informal picnic on the Green Estate, outside of Owenship. Of Col. Sanders Jon said, "I'd like to have him for a grandfather."

Jon is presently attending Washington University in St. Louis and is studying law. We are very proud to share with you that he is carrying a straight "A" average. Congratulations Jon, and the best in everything you pursue.

Granite City High School North Band 1978 - 1979

This year's band has distinguished itself for a quality of performance, an attitude of accomplishment and a dedication to school and community which marks them as an outstanding musical organization. Our musical season at North starts two weeks before school opens and occupies the entire school year, marked by 50 performances, and goes into the early summer with a summer school session. The North Band Department includes the National Award winning "Steel City Belles" pom-pom squad and the award winning "North Guard" flag and rifle squads.

The North Band is truly a "multi-media" organization which changes with the season. In the fall, "The Marching Band from Steeler Land" presents pre-game and half-time performances at football games. In the fall and spring, parades are also a part of their performance. In the fall and winter months, the Concert Band and Steeler Pep Bands are kept occupied with performances of formal concerts, a pop and pretzel informal concert, and appearances at basketball, wrestling, and soccer games.

"This years band department is something special for their many faceted accomplishments and especially for their attitude of giving their talents to their school and community. They are setting a precedent which shall grow in years to come," commented North Band Director, Robert D. Todoroff.

Granite North Recreational Club

The Recreational Club was formed two years ago. Its purpose is to show the students at North the kind of activities available to them in the surrounding area. The club is open to every student at North. Every month the members go somewhere. They make their own money by selling different products so they can go on their outings. Ingot Yearbook Staff

Being the Editor-in-Chief of the '79 Ingot has been quite an experience for me. There is truly a lot of hard work and effort that goes into a yearbook.

I would like to take this opportunity to give special thanks to all the editors who devoted their time and effort to get the book out. I would also like to thank Tami Hill, Pam Carnahan, Donna Bauer, B. J. Lybarger, and Ray Gettleman (non-editors) for all the work they contributed.

A very special thanks to Mr. Robert Johnson for his patience and guidance. Thanks, too, to the staff photographers and to the professionals, Mr. Nick Mangoff and Mr. Norman Mangoff of Hollywood-Andrews Studio. We also wish to extend our thanks to the GRANITE CITY PRESS RECORD for permission to use some of their file photos, and to members of the student body who brought photos to us.

To the class of '79 — the best of luck as you find your path in life.
